

PIKE 2024 INDIVIDUAL CHAMPIONSHIPS* @ UINDY

Hosted by Pike High School

**There will be no relay events at this meet, but athletes may still qualify for HSR Finals in individual events.*

Saturday, March 9th, 2024

10:00AM @ UINDY's Indoor Track

Facility:

UINDY's ARC facility was completed in 2011 and was used as a practice site for the Giants in Super bowl XLVI. Once the turf was removed, it was replaced with Acer surface (comparable to Mondo). This facility includes 8 lanes for short sprints/hurdles and 6 lanes for oval events. It includes 2 long jump runways, 1 pole vault runway, 1 high jump area and 1 throwing area (throws will take place off a wooden platform).

Team Area:

Located outside of the track there is a large area that still has turf (approximately 50 yards in length and 20 yards wide). All teams will camp in this area. This will leave almost the entire infield open for warm-ups. Thank you for your help in respecting trash pickup and managing your athletes at UINDY.

General Info:

- Starting blocks will be provided by UINDY (Please do not bring your own starting blocks).
- All shot puts will be provided for this meet (outside shots will **not** be allowed during this competition).
- ¼ inch Pyramid spikes only (**PLEASE NO CHRISTMAS TREE SPIKES**)

Entry Fee:

Entry fee is \$8.00 per event. Unlimited entries per school allowed but certain events may close early if numbers are excessive. If planning or wishing to bring an extraordinary number of athletes, please contact Kendra Champion-McAloon at kchampion@pike.k12.in.us for specific (fair) arrangements.

Your school will be invoiced FOLLOWING the meet based on the number of event entries in Direct Athletics.

Please only enter athletes who will participate as you will be invoiced for all entries. Invoices will be sent on Monday, March 11th. Checks should be made payable to Pike High School.

Please mail check to the following address no later than **Friday, March 29th, 2024:**

Entries:

Entries open on February 23rd, 2024 and must be submitted by March 6th, 2024 @ 11:59 PM.

Heat and flight sheets will be emailed out as soon as they are completed (most likely not until the afternoon on Friday). **Please make sure seed times are accurate. It is only fair if we are all honest.**

PLEASE LET YOUR ATHLETES SEE HEAT & FLIGHT SHEETS ON THE BUS!

Scratches:

Please do your best to make sure your entries are correct. The more changes we have to make on the day of the meet, the less likely we will be to start on time.
