Example: Entry 30 athletes the cost would be \$200.00 for the first 20 athletes than \$50.00 for the remaining 10 athletes for a total of \$250.00.

Checks can be made out to: **Bethel University Track and Field**

Entries:

All early entries are made through direct athletics at www.directathletics.com

Entries must be submitted by Noon on the day of the competition March 14th. We will take scratches up to 1 hour prior to the start of the competition to ensure all heats are full. Send scratches to trackandfield@betheluniversity.edu. Heats will be decided 1 hour prior to each flight considering any last-minute scratches or walk-up entries that occur.

Walk up Entries will be allowed if done more than 1 hour prior to the start of the event. Walk up entries will be done onsite at check-in with a cost of \$20.00 per entry.

You may enter unlimited 60m, 60m hurdles, SP, PV and LJ. LJ athletes need to get their jumps in during the time allowed. If the numbers are large, we will separate into flights. Each SP and LJ athlete will be given 4 jumps/throws done in cafeteria style for the Long Jump M/W with 1 hours given to get all your jumps in per flight. We will do a separate warm up period if multiple flights are needed. The SP will be run in flight style of 15-18 athletes with the top seeds going last.

Team Camps:

Team camps will take place in either the Lehman Center based on how many people are in the facility mainly in the turf area please to allow spectators to use the bleachers and walkway. If an alternative location is used we ask all non-competing athletes to stage there until it is their time to compete.

Scratches:

Please do your best to make sure entries are correct. Scratches will be accepted and appreciated up to 1 hour prior to the start of the event. Sadly, no refunds can be given. We hope to have every heat full in the dashes. We will send out a last-minute email asking for any scratches as well as have a check in table in the Weikamp Center. Failure of the athlete or a representative to check in could result in the athlete being accidently scratched from the meet.

About the Lehman Athletic Center:

State of the Art Training Center featuring a 6 lane 120m Straightaway featuring the Beynon BS 1000 Hobart running surface. Building has a dedicated Long Jump and Pole Vault areas for practice and competition. Turf area for throwing and rehab activities. Center also features a weight room, cardio area, performance lab, offices and hang out lounge for athletes. The building is 65' wide so space will be limited to competing athletes, coaches and spectators only. Policy may change as we offer more opportunities into the future.

Spectator Policy:

We will allow spectators into the facility to watch each session, but the number will be limited per session due to space and to ensure enough space for the competing athletes and coaches. We ask parents to only stay for the sessions their children are taking part in if the numbers are too large. our goal is to have an overflow area with the hopes of live streaming the event as it is occurring. The cost is \$8.00 per person per session to enter the building to watch live. The cap will be 100 spectators per session till we can identify how many spectators we can safely have in the building at any time while making sure the athletes have the best experience possible. Sorry for any issues this creates.
