**Opening Heights and Minimum Distances: Please take into account these marks BEFORE you enter an athlete...this is a QUALIFYING Meet...it is NOT A PRACTICE Meet. If they are no where close to these marks it would be a good**

idea to not enter them in the meet. I clearly understand the mindset that “we want to give athletes a chance” but a qualifying meet is NOT the place to do that...its not fair to the higher caliber athletes stuck waiting and it is not fair to the kid that had ZERO chance of clearing a bar height or can run the needed time this early in the season.

**Opening Heights:**

Pole Vault: Ladies 7-0 with 6” increments till 9-6 then up 3”  
Boys 10-6 with 6” increments 12-6 then up 3”  
High Jump: Ladies 4-6 with 2” increments till 5-0 then up 1”  
Boys 5-6 with 2” increments till 6-2 then up 1”

**Min. Time Accepted for the 3200 Runs:**

- 13:00 for the Girls
- 11:00 for the Boys

**Min. Marked Distances for:**

Shot Put: 25 Ft. Ladies 35 Ft. Boys

**\*\*\*We will measure the 1<sup>st</sup> FAIR throw/jump...anything under the Min. Distances after the 2<sup>nd</sup> attempt and 3<sup>rd</sup> attempts will NOT be measured.\*\*\***
