 - o Athletes that do not report to clerking will be scratched and will not be re-seeded into the meet.
 - o All athletes need to be checked-in no later than 15 minutes prior to their event start.
 - o Once checked-in, if an athlete is not in the first flight/heat, the clerks will tell the athlete when they need to be back for staging for their event.
 - o Meets that the hurdles are contested; an official will bring all hurdlers and one coach per team onto the 60m track for specific hurdle warm-up at 5:35pm. Hurdle specific warm-up will end at 5:55pm.
- Once teams arrive, they may get on the competition oval and flat track for general warm-ups. At 5:30pm, all competition areas are closed. Field event areas are not open for warm-up until an official opens the area.
- Coaches are not permitted on the track or in competition areas after 5:30pm. Coaches will be limited to the outside of the oval for the jumps and behind the ring/barriers for the throws.
